Important Questions	Answers	Why This Matters:
What is the overall deductible ?	<p><u>Network providers:</u> \$100/individual or \$200/family</p> <p><u>Out-of-network Provider:</u> \$200/individual or \$400/family</p>	<p>Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this plan begins to pay. The <u>deductible</u> is Embedded. If you have other family members on the plan, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u>.</p> <p><u>Deductible year runs 01/01 to 12/31.</u></p>
Are there services covered before you meet your deductible ?	Yes. <u>Preventive care</u> and primary care services are covered before you meet your <u>deductible</u> .	This plan covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan ?	<p><u>Network providers:</u> \$3,000/individual or \$6,000/family</p> <p><u>Out-of-network Provider:</u> \$6,000/individual or \$12,00/family</p>	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. The <u>out-of-pocket limit</u> is Embedded . If you have other family members in this plan, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit ?	<u>Premiums</u> , <u>balance-billed</u> charges, and health care this plan does not cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider ?	Yes. See www.KennionPlans.com or call 1-844-839-6740 for a list of <u>in-network</u> providers.	This plan uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your plan pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
