

ZERO WILL BE YOUR NEW HERO!

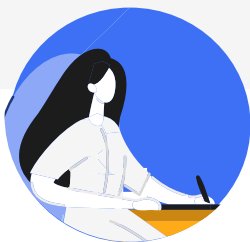

**So, you're looking for new care in 2022.
Make sure to remember one number:
ZERO.**

New for this year, Kennion Benefit Advisors has a program called "Simply Zero" built to help you save money by connecting you with zero-cost services. And best of all, with HealthJoy, this power is in the palm of your hand! So whether you're looking for a telemedicine appointment, an imaging or surgery facility, or virtual therapy... use the HealthJoy app so your bill will be your new favorite number — Simply Zero!

Zero-cost virtual mental health coaching & therapy.

Get virtually connected with providers in your area. In your HealthJoy "Wallet," select "Behavioral Health" to learn more and schedule an appointment.

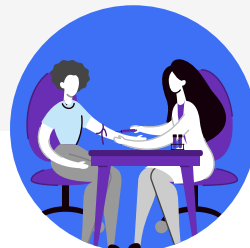

Zero-cost imaging.

A new offering in 2022, use HealthJoy's "Find a Facility" feature to see a list of offices and providers that are covered to provide free imaging.

Zero hassle finding preferred facilities.

HealthJoy's healthcare concierges will connect you with preferred facilities and centers of excellence. Choose "Find a Provider" in your HealthJoy menu.

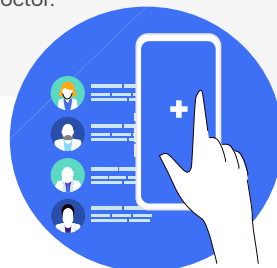

Zero-cost surgery.

Use "Find a Facility" in your HealthJoy Menu to have healthcare concierges help you schedule your free surgery at a local Ambulatory Surgery Center (over 9,000 locations nation-wide).

Zero-cost telemedicine.

- Talk to a doctor 24/7 through the HealthJoy app.
- Get a professional consultation, even a prescription, without having to leave your home. In your HealthJoy app, go to your "Wallet" section and choose "Telemedicine" to get connected with a doctor.

How to Download and Activate HealthJoy

HealthJoy is the first stop for all your healthcare and employee benefits needs. To get started, just activate your HealthJoy account and download our app.

1 Receive Activation Email and / or Text Message

To activate, click the web link in either message from your smartphone. The link will take you to an activation screen where you can create an account.

2 Create Password

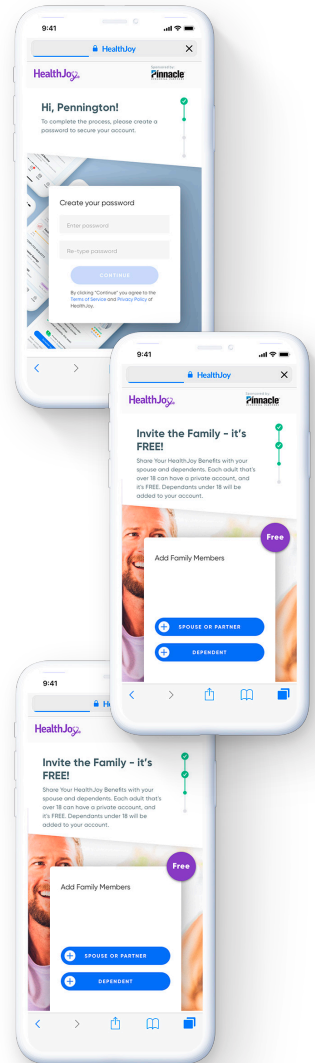

You'll be taken to a web page asking you to create an 8-character password (minimum).

3 Add Family Members

Adding family members is free, and we encourage you to invite all members of your immediate family that are over 18 years old. They will get access to all the same services including access to free healthcare concierges and medical professionals.

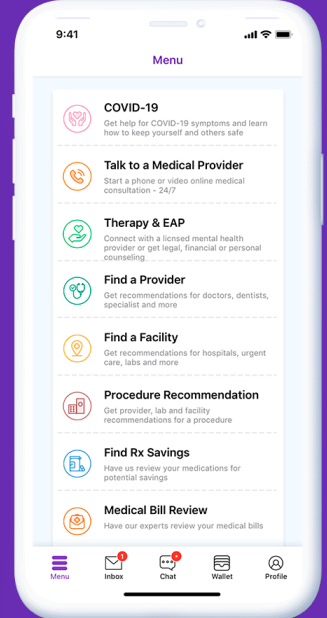

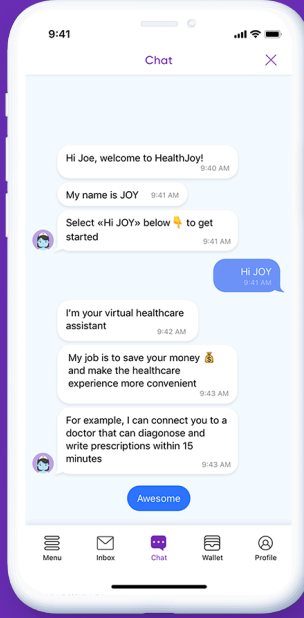

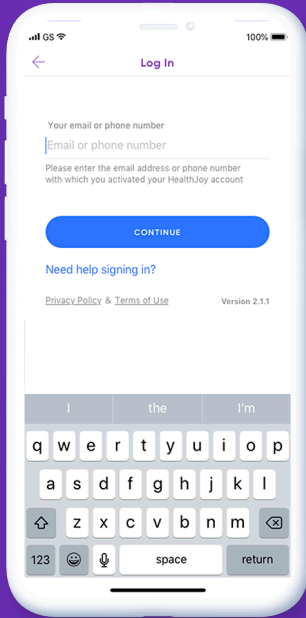

4 Download the App

Next download, install, and log into the HealthJoy app. The app is available for Android, iPhone, and iPad and requires an Internet connection. Just click the download button at the end of the setup process and you'll be taken to our app within your smartphone's app store.

5 Log In

Finally, after you download the HealthJoy app, all you need to do is log in to the app with the email address that received your invitation and the password you created. JOY, your virtual healthcare assistant, will welcome you to the app. You can start using the app within seconds.

Did you forget your password or miss your activation email?

Forgot password

You can still log in! Enter your email or phone number. You can choose to update your password, or we can send a “magic link” to your phone or email so you can instantly log in.
